Voices from the Other Side Harvest moon eyes, 2005-08-17 When author Harvest moon eyes decided to spend the winter of 1995 in Seattle Washington it was with the intention of writing a simple love story. A series of bizarre events unfolded and instead she found herself spending the winter on the streets with Seattle's homeless. As Seattle's homeless shared their background opinions and political viewpoints Harvest moon eyes began to examine her life prejudices and failures. *Voices From The Other Side* is her journal, a spiritual metamorphosis interwoven between unaltered recorded conversations which expose the rawness of the streets and the emotions and thoughts the author tried to keep hidden as well as delivering a timeless compelling message to our politicians.

Aftermath Keiah Ellis, 2010-03 Leisa watched in dismay as the television screen flashed aerial pictures of the rescue workers trying to reach injured people in the train wreckage. Coverage of the breaking news story had interrupted her afternoon lineup of home and garden shows as she swept the kitchen floor. She dropped her broom and grabbed the remote. She turned the volume up and held her breath as she listened for more information. She looked over at the clock and realized that it was very close to the time that her daughter's train was scheduled to arrive into town. Oh please God don't let that be Annie's train. PLEASE let her be alright she silently prayed. She jumped as the phone rang loudly beside her. She picked it up quickly hoping that it was her daughter saying that she was fine and had been nowhere near the train accident. Hello she said anxiously KEIAH ELLIS is a passionate young author from Shreveport Louisiana. She is thrilled about the completion of her first novel which she envisions to be the first in a series. Aside from her love of writing she is a self-proclaimed foodie whose favorite pastimes include cooking, eating, entertaining and spending time with her family and friends. She loves music and sings in the Praise and Worship ministry with her dad at their church. She has a heart for teenage girls and has a vision to start her own women's ministry in the very near future. At 25 years old she is the younger of two sisters and currently lives with her parents who recently celebrated 30 years of marriage. She loves God with all her being and strives daily to be a light in darkness bringing glory to her Lord and Savior Jesus Christ with every opportunity she is presented.

The Hitman's Daughter Carolyn Topdjian, 2022-02-22 The Chateau du Ciel was once the destination for the rich and famous to play, drink and ski complete with a private railway to shuttle those desiring extra privacy. Now however the guests are few and far between. The New Year's Eve party was supposed to hoist the rundown hotel back to its former status until a massive blizzard hits trapping the guests who've come to celebrate the grand hotel's last hurrah. The circumstances might even be romantic if the hotel wasn't reputed to be haunted. When hotel employee Mave Michael finds the resident artist dead and shortly thereafter hotel security finds Mave alone with the body the reputation that

Mave has fought long and hard to outrun comes back to haunt her You see her father is a notorious hitman who is serving multiple life sentences in prison She has changed her name and location dozens of times but he somehow manages to track her down even sending her a postcard on the eve of her birthday January 1st She s the perfect choice to frame for murder and now the number one suspect Mave can no longer deny the lessons in survival her father taught her and calls on that and her uncanny sixth sense in finding lost objects to navigate the maze of the hotel To save herself she not only has to stop running from her own past she must unearth the history of the hotel its elite guests and buried secrets one deadly sin at a time An homage to classic gothic horror that proves that the ghosts of family and classism are alive and well **Harlequin**
