Prince of Wolves, Blood Rites, Just One Drop Quinn Loftis, 2019 Begin the award winning Grey Wolves Series with the first three books Prince of Wolves Blood Rites and Just one Drop The Grey Wolves Series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won't be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females The ensuing chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates Surrender Quinn Loftis, 2015-09-15 So I just might die a virgin after all That's what sucks about the end of the world you just don't plan for it and once it's upon you it's

too late It's been a few weeks since I've had time to actually write anything down which sucks because more has happened in my life in the past three weeks than it has in all my seventeen soon to be eighteen years So I'm going to give you a quick recap because my diary is totally a living breathing thing and really cares not Basically we are on the run from Lorsan the dark elf king while also looking for the Book of the Elves which he stole butt head while at the same time attempting to shut down the sale of Rapture a liquid drug the dark elves devised to enslave the human race If you ask me their goals are a little lofty but then nobody asked me and therein lies their problem But our problems don't end there On top of trying to get Rapture out of the human realm and taking out Lorsan we also have to rescue Cassie's parents Apparently there's a dark elf who is delusional and believes Cassie is his Chosen reincarnated So naturally he thought kidnapping her parents would win her heart Loser What happen to love notes and flowers Anyways now you're caught up roughly The point is life is about as jacked up as it can get at the moment I would like to be able to give some Braveheart worthy speech and say that we totally got this but honestly I have no idea if we can pull this off Elora *The Burning Claw* Quinn Loftis,2016-09-10

Jacque's mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families But something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital It wasn't Fane he would be with her on the other side she knew that If she died he died too and he wouldn't have it any other way She could feel Peri's presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacque's survival Jacque was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn't know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn't stand a chance **The Grey Wolves Series Books 1-6** Quinn Loftis,2020-10-06 Read the series with over 100 thousand

Bound by Earth Quinn Loftis, 2020-02-25 Tara Thompson cannot be injured Since the night her parents died in a tragic accident she hasn't felt pain of any kind not so much as a paper cut And she has no idea why Though her body healed quickly her heart and soul took its time Luckily a loving foster mom and an unwanted best friend stepped in to speed up the process Despite Tara's best efforts her new BFF Shelly Smith just wouldn't go away By their senior year the girls were thick as thieves and would probably become thieves if Shelly had anything to say about their future Thankfully fate intervenes in the form of a high school recruiter Elias Creed who works for a mysterious geological testing company Cue the dreamy music and soft lighting as he walks in slow motion toward her Then Elias opens his mouth and Tara laments the fact that the first guy she's ever been seriously attracted to is a complete and utter butthead Still she can't seem to shake him and she and Shelly are both intrigued by the company he works for Little do they know it's not a company at all It's an academy for those gifted with elemental powers and she's already been enrolled And Elias isn't Tara's only suitor The hottest guy in school Tucker Adams has been asking Tara out for the past three years and each time she's shot him down Now he's finally broken down her walls But when Elias and Tucker both warn Tara the other is dangerous she doesn't know who to believe When the truth is finally revealed Tara finds out both men know more about her past than she does including what caused the accident that took her parents' lives
