

\* Don't let your children guide. If you tell your child not to smoke, and then tell him to hold the lighter, he'll think you're kidding. Instead, on Day 1, give him the choice between smoking and not smoking.

before marriage, children and the law have the same status as the family type of marital connection. The relationship between the two is a direct one, and the connection will only be broken if the family is broken. In fact, the law will not use it to measure the family.

1. **Identify the problem.** The first step in the problem-solving process is to identify the problem. This involves recognizing the symptoms of the problem and determining the underlying cause.

Control groups in an RCT should ideally be treated in the same way as the intervention group, except for the intervention itself. However, sometimes this is not possible or ethical, and the control group may receive a different treatment or no treatment at all.

measures the degree to which  
employees' attitudes, behaviors  
and intentions are in line  
with the  
company's

For a complete list of the 2000 award-winning papers, please visit the American Chemical Society website at <http://www.acs.org>.
