

## Literature Circle Guide to FRINDLE by Andrew Clements

### **Book Summary**

Mrs. Granger is notorious among all the fifth grade teachers — for being strict, yes, but mostly for her love of words and of the dictionary. Enter Nick Allen, who, after trying to trick Mrs. Granger into wasting time on the first day of school, has to prepare a report on the history of the dictionary. The research, along with a few other, lucky events, gives him an idea: What if he could invent a new word - call an ordinary ballpoint pen a *frindle*? His classmates love the idea, and soon the entire school plays along, much to the dismay of Mrs. Granger, who halfheartedly punishes the students for using *frindle*. Eventually, the word becomes so popular that people all over the world want to use it, and, eventually, it becomes part of the dictionary. Years later, after *frindle* has become a common part of the language, Mrs. Granger has a special surprise for the all-grown-up Nick, inventor of the word *frindle*.

### **Author Information**

Andrew Clements is a passionate advocate for books and reading. Clements attributes his interest to his parents, who were avid readers who shared their passion for books with their children, and to an elementary school librarian who “kept [him] well-stocked” in books. After majoring in English at Northwestern, Clements earned a master’s degree in Education and taught for seven years in both grade school and high school. After that experience, he moved into children’s publishing as an editor charged with acquisition; he also began translating and adapting foreign picture books. It wasn’t until he was 35 that he began to write his own books. Most of his work to date has been picture books, including books written for school reading programs and adaptations from a children’s television show, *Real Monsters*. *Frindle* was his first book for middlegrade readers, although he has recently published *The Landry News* for the same age group and is working on a series of middlegrade books for a publisher.

### **Suggested Answers to Literature Circle Questions**

Use these questions and the activities that follow to get more out of the experience of reading *Frindle* by Andrew Clements.

1. What is Mrs. Granger’s famous “battle cry” that all her former students remember?

“Look it up!”
