Little Red Hen Makes A Pizza Activities:

Internet Activities Through the Year Mary Zinn Beiting, 2002-06 **Two Books Are Better Than One!** Shari Frost, 2016-06-03 Today's early literacy programs are more demanding than ever. No longer is it sufficient to teach letters, letter sounds, sight words, and simple texts in kindergarten through second grade. Children are expected to read and comprehend texts in a variety of genres with increasing complexity. Then they must integrate the ideas and concepts from those texts into their own writing. *Two Books Are Better Than One: Reading and Writing and Talking and Drawing Across Texts in K-2* helps teachers meet those demands. Each chapter contains an anchor lesson focused on a different way of connecting texts, including by theme, characters, perspective, structure, or genre. The lessons feature research-based and common core-aligned strategies: interactive read-alouds, shared reading, and writing scaffolds. Small group reading, accountable talk, close reading, and opinion narrative and explanatory writing. Each anchor lesson features two high-quality children's books, and each chapter is rounded out with a list of other recommended book pairs to support you in creating your own lessons.

Easy Activities for Building Social Skills Nancy Leber, 2002 Dozens of effective classroom strategies and activities to teach cooperation and communication manners and respect, positive behavior, and more. Cover *The Giant Encyclopedia of Learning Center Activities* Kathy Charner, Maureen Murphy, Jennifer Ford, 2005 This book contains hundreds of accessible, teacher-written learning center activities. The GIANT Encyclopedia of Learning Center Activities is the eighth book in Gryphon House's GIANT Encyclopedia series. The learning centers in this book can either be permanent year-long centers or set up and removed according to the season or children's interests and needs. Through play, young children learn to communicate, interact, and expand their cognitive thinking horizons. The GIANT Encyclopedia of Learning Center Activities provides the resources to make play meaningful and educational for young children. This book offers over 600 activities and 47 learning centers, including familiar permanent centers such as Art or Blocks and new and exciting centers such as Farm Space, Safari, Shoe Store, and Ice Cream Shop. Opportunities in each center for children to work at their own developmental level. Materials lists for each activity, step-by-step instructions, and related books, songs, and poems. Fresh, new ideas from teachers who have used these activities in their own classrooms.

Activities for Building Character and Social-Emotional Learning, Grades PreK-K Katia S. Petersen, 2012-04-25 Build attitudes of respect and caring, reduce problem behaviors, empower students to solve problems, and educate the whole child with this flexible, user-friendly activity guide. The lessons, literature-based connections, allow teachers to build in, rather than add on, social-emotional learning (SEL) throughout the day. Field-tested in classrooms across the United States, these activities, when fully implemented, have resulted in improved school climate, greater parent engagement, increased academic achievement, and reduction in discipline referrals. Features of the book include 100 easy-to-implement, year-round activities that integrate into the daily curriculum in all subject areas. Monthly themes focused on empathy, bullying prevention, teamwork, decision-making, and more. Concise lesson formats: Read, Discuss,

Do Relate Discussion and writing prompts Built in assessments Digital content includes all of the book s reproducible forms

Restoring Opportunity Greg J. Duncan, Richard J. Murnane, 2014-01-01 In this landmark volume Greg J. Duncan and Richard J. Murnane lay out a meticulously researched case showing how in a time of spiraling inequality strategically targeted interventions and supports can help schools significantly improve the life chances of low income children The authors offer a brilliant synthesis of recent research on inequality and its effects on families children and schools They describe the interplay of social and economic factors that has made it increasingly hard for schools to counteract the effects of inequality and that has created a widening wedge between low and high income students Restoring

Opportunity provides detailed portraits of proven initiatives that are transforming the lives of low income children from prekindergarten through high school All of these programs are research tested and have demonstrated sustained effectiveness over time and at significant scale Together they offer a powerful vision of what good instruction in effective schools can look like The authors conclude by outlining the elements of a new agenda for education reform Restoring Opportunity is a crowning contribution from these two leading economists in the field of education and a passionate call to action on behalf of the young people on whom our nation s future depends Copublished with the Russell Sage Foundation
