It's About Time Brook A. Thelander, 2023-06-20 This book explores common challenges and joys in the life of faith by means of a guided tour through the seasons of the church year. Issues such as complacency, despair, unanswered prayer, evil, suffering, discerning God's will, adversity, achieving inner peace, and more are explored from the pastoral perspective of a shepherd's heart. Those new to the church year will discover its blessings and benefits, while those more familiar with its rhythms will gain a deeper appreciation of its formative power. Readers are invited on a journey of discovery where following Christ assumes a concrete shape in the midst of life's practical concerns, all within a thoroughly biblical framework.

The Liturgical Year Adrien Nocent, 2014-01-21 When Adrien Nocent's *The Liturgical Year* was published in the 1970s, it was the very first comprehensive commentary on the three-year lectionary in relation to the Sacramentary Missal as these were revised following the Second Vatican Council. Expressed on nearly every page was Nocent's conviction that the liturgy and the Word of God proclaimed within it have something important to say to real people of every culture and time. He constantly returns to the question: What does this passage have to say to us today? Now this extraordinary work of applied postconciliar liturgical scholarship has been emended and annotated by one of today's leading liturgical scholars, Paul Turner. He has provided many helpful explanatory notes on history, culture, language, and of course, liturgy. He has also updated the liturgical texts to conform to The Roman Missal Third Edition. The result is a resource that promises to enrich and inspire a new generation of presiders, preachers, liturgy planners, and students. On the fiftieth anniversary of Vatican II's Sacrosanctum Concilium, encounter the vibrant scholarship and pastoral wisdom of Adrien Nocent's *The Liturgical Year* again, or for the first

the USSR when the division between the Western world and the Soviet bloc was marked there was a strong Eastern orientation among Russian Baptists This changed when the USSR came to an end Over a number of years there was mass emigration of Russian Baptists and in addition pro Western thinking gained considerable ground within the Russian Baptist community During the period examined here however it is possible to uncover a great deal of evidence of Russian Baptists participating in Orthodox theology spiritual mentality and culture Be Renewed Paul Turner,2023-09-15 In this commentary on the revised English translation of The Order of Penance Paul Turner explains in detail how the sacrament of renewal has itself undergone renewal since the first edition approved shortly after the Second Vatican Council Turner highlights important elements within the revised translation including the history behind the revised order of service and the words of absolution an explanation of how and why the ceremony was revised after the Council changes for communal reconciliation services and the first translation of proposed examinations of conscience to prepare a community for reconciliation This commentary invites all Catholics to consider the sacrament anew by preparing a spiritual path upon which the faithful may walk in search of forgiveness and experience a profound encounter with the mercy of God **The Catholic Church in Ireland Today** John C. Waldmeir,David Carroll Cochran,2015-01-22 From a Church that once enjoyed devotional loyalty political influence and institutional power unrivaled in Europe the Catholic Church in Ireland now faces collapse Devastated by a series of reports on clerical sexual abuse challenged publicly during several political battles and painfully aware of plunging Mass attendance the Irish Church today is confronted with the loss of its institutional legitimacy This study is the first international and interdisciplinary attempt to consider the scope of the problem analyze issues that are crucial to the Irish context and identify signs of both resilience and renewal In addition to an overview of the current status and future directions of Irish Catholicism The Catholic Church in Ireland Today examines specific issues such as growing secularism the changing image of Irish bishops generational divides Catholic migrants to Ireland the abuse crisis and responses in Ireland and the United States Irish missionaries the political role of Irish priests the 2012 Dublin Eucharistic Congress and contemplative strands in Irish identity This book identifies the key issues that students of Irish society and others interested in Catholic culture must examine in order to understand the changing roles of religion in the contemporary world
