The Future of Man Aldo Gelso, 2010-03-11 Be in a dark room meditating touch yourself and think what are you touching If what you are touching is real then what is it and what is it for Are persons roads automobiles valleys mountains and anything that you see real And what about the things that think about are they real How do you see and why you see what you see and for what reason Is your being seeing and thinking an illusion I believe that In reality nothing exists other than your thinking But What is your thinking Who is thinking Is it you or whom If it is you Who are you and from where do you and all those thoughts and things around you come from I do not know about everyone else but those thoughts have puzzled me ever since I can remember Philosophers scientists and theologians have different ways of interpreting what is commonly known as life and Man Why does man exist who created him and why In my opinion Man is the association of Mind and Body in search of happiness

Almost everyone on planet Earth believes that the answer to any unexplainable question is that God knows I am not god and not just me but others wish to know what God knows If not all men then almost every man is in pursuit of eternal happiness that he wishes to find on the course of its life In this book my mind is rationally traveling and searching for The Future of Man in Search of Happiness PS I read a lot of publications in any and all subjects other than fiction What I learned in my school days are over half a century old I can t always remember correctly what I studied and read No one is perfect everyone makes mistakes Please forgive me if in this book I report something incorrectly Also by the author Aldo Gelso Xlibris publisher read Mafia Capitalism and Democracy followed by the attached introduction to learn about mafia Events in Sicily
