

LM2500+

Slide 1

Model Number Designation

Since April of 1983 all LM2500 engines have been identified by a numbering system consisting of a prefix, engine family designation, type code, and configuration code. Engines manufactured before April 1983 retain the old numbering system and it is not anticipated that they will be updated with the new model numbers.

Example: 7LM2500-PE-MGW

7LM = Prefix

2500 = Engine family
designation

PE = Type code

MGW = Configuration code
