No matter your background or beliefs, no matter what's going on in the world, chocolate chip cookies are universally comforting. They are pure joy, a reminder of childhood, a way to bring family together. They mean time spent in the kitchen with my kids. They make a house smell like a home when my husband returns from work. They are what I take to my kids' teachers at school, the nurses at the hospital when my mom was receiving cancer treatment, and the new neighbors across the street who've just had a baby. Chocolate chip cookies are the simplest way to say "I'm sorry" and "I love you" and "I'm so happy you're in my life." They are a simple reminder that things don't need to be complicated. I am honored this book has become part of your home, and my hope is that the cookies from these pages bring joy to you and your family. *The Ultimate Guide to Keto Baking* Carolyn Ketchum, 2019-12-03 SWEET SAVORY DELICIOUS Think you have to give up baking on a low-carb or keto diet?
