ci V 8 into the intermediate sized Tempest against GM rules and the GTO was created Little did they know what a profound
impact that decision would make The GTO would become a sensation and later was recognized as the first muscle car of the
1960s Visionaries Pete Estes John DeLorean and other key Pontiac executives knew the youth market was waiting for a bold
lightweight sporty car When their staff toyed with the concept of putting the large V 8 in the car Pontiac executives jumped
on the idea to meet that perceived market demand Pontiac had a high performance street car that could light up its tires and
outperform the vast majority of the cars on the road It also reshaped Pontiac s image of a company producing stodgy
lumbering full size cars into a high performance youth brand Pontiac expert and long time writer David Bonaskiewich delves
deep into the GTO model and its history bringing the equipment and options of this iconic muscle car into full focus He
reveals the hardware under the sheet metal the V 8 engines manual and automatic transmissions rear differentials interior
options color codes and so much more When the GTO was released in 1964 it was offered as a unique performance package
to the Tempest and high performance enthusiasts stood up and took notice Examined are the GTO s 4 barrel 389 with dual
exhaust 3 speed floor shifter stiffer suspension limited slip differential and heavy duty cooling system The 1965 GTO was
restyled with more interior room being added and the renowned 389 Tri Power engine joined the lineup cranking out 360 hp
By 1966 the GTO was a runaway success Pontiac made the GTO its own model and it featured a sleeker Coke bottle styling A
convertible joined the hardtop and a pillared coupe also joined the lineup The 1967 Pontiac GTO was arguably one of most
the superbly styled models ever with a wide range of engines and high performance hardware All of these important
upgrades advancements and model evolutions are covered in exceptional detail The GTO stands alone in the annals for
muscle car history Not only did Pontiac create a classic muscle car it created the muscle car blueprint that other Detroit
manufacturers followed in the years to come A glossy surface overview of this iconic model does not do it justice If you have
