**Mark Twain's Speeches** Mark Twain,2018-03-04 These speeches will address themselves to the minds and hearts of those who read them but not with the effect they had with those who heard them Clemens himself would have said not with half the effect I have noted elsewhere how he always held that the actor doubled the value of the author s words and he was a great actor as well as a great author He was a most consummate actor with this difference from other actors that he was the first to know the thoughts and invent the fancies to which his voice and action gave the color of life Representation is the art of other actors his art was creative as well as representative it was nothing at second hand

**Mark Twains Speeches** Mark Twain,2015-11-07 Samuel Langhorne Clemens November 30 1835 April 21 1910 better known by his pen name Mark Twain was an American author and humorist He wrote The Adventures of Tom Sawyer 1876 and its sequel Adventures of Huckleberry Finn 1885 the latter often called The Great American Novel **Mark Twain's Speeches (Annotated)** Mark Twain,2016-06-04 Spanning the time between 1872 and the year before he died this collection of after dinner speeches random thoughts to the press etc clearly documents once again the truly eclectic mind of Samuel Clemens It also demonstrates how he dealt with adulation compliments and notoriety head on This collection is a treasure trove of Twain sayings witticisms and pronouncements on a huge galaxy of issues and concerns in his life *Mark Twain's Speeches* Mark Twain,2009-02-01 **Mark Twain's Speeches** Mark Twain,2014-06-24 Mark Twain s Speeches by Mark Twain The English Edition Over 100 Classic Speeches These speeches will address themselves to the minds and hearts of those who read them but not with the effect they had with those who heard them Clemens himself would have said not with half the effect I have noted elsewhere how he always held that the actor doubled the value of the author s words and he was a great actor as well as a great author He was a most consummate actor with this difference from other actors that he was the first to know the thoughts and invent the fancies to which his voice and action gave the color of life Representation is the art of other actors his art was creative as well as representative it was nothing at second hand I never heard Clemens speak when I thought he quite failed some burst or spurt redeemed him when he seemed flagging short of the goal and whoever else was in the running he came in ahead His near failures were the error of a rare trust to the spontaneity in which other speakers confide or are believed to confide when they are on their feet He knew that from the beginning of oratory the orator s spontaneity was for the silence and solitude of the closet where he mused his words to an imagined audience that this was the use of orators from Demosthenes and Cicero up and down He studied every word and syllable and memorized them by a system of mnemonics peculiar to himself consisting of an arbitrary arrangement of things on a table knives forks salt cellars

inkstands pens boxes or whatever was at hand which stood for points and clauses and climaxes and were at once indelible diction and constant suggestion He studied every tone and every gesture and he forecast the result with the real audience from its result with that imagined audience Therefore it was beautiful to see him and to hear him he rejoiced in the pleasure he gave and the blows of surprise which he dealt and because he had his end in mind he knew when to stop *Mark Twain's Speeches* Albert Bigelow Paine,1923 **Mark Twain's Speeches.
