hytexts Poombundit *Teaching and Learning English Grammar* MaryAnn Christison, Donna Christian, Patricia A. Duff, Nina
Spada, 2015-03-02 An important contribution to the emerging body of research based knowledge about English grammar this
volume presents empirical studies along with syntheses and overviews of previous and ongoing work on the teaching and
learning of grammar for learners of English as a second foreign language It explores a variety of approaches including form
focused instruction content and language integration corpus based lexicogrammatical approaches and social perspectives on
grammar instruction Nine chapter authors are Priority Research Grant or Doctoral Dissertation Grant awardees from The
International Research Foundation for English Language Education TIRF and four overview chapters are written by well
known experts in English language education Each research chapter addresses issues that motivated the research the
context of the research data collection and analysis findings and discussion and implications for practice policy and future
research The TIRF sponsored research was made possible by a generous gift from Betty Azar This book honors her
contributions to the field and recognizes her generosity in collaborating with TIRF to support research on English grammar
Teaching and Learning English Grammar is the second volume in the Global Research on Teaching and Learning English
Series co published by Routledge and TIRF *Technology as a Support for Literacy Achievements for Children at Risk* Adina
Shamir, Ofra Korat, 2012-11-29 Presenting cutting edge studies from various countries into the theoretical and practical
issues surrounding the literacy acquisition of at risk children this volume focuses specifically on the utility of technology in
supporting and advancing literacy among the relevant populations These include a range of at risk groups such as those with
learning disabilities low socioeconomic status and minority ethnicity Arguing that literacy is a key requirement for
integration into any modern society the book outlines new ways in which educators and researchers can overcome the
difficulties faced by children in these at risk groups It also reflects the rapid development of technology in this field which in
turn necessitates the accumulation of fresh research evidence *A Guide Book for The Test of Academic English Proficiency*
