

## BEHIND THE DOORS

Name: \_\_\_\_\_

The children crept through the gloomy house, trying carefully to keep their footsteps silent. They made their way to the spare bedroom and looked around. Glimmers of moonlight shone into the room, slightly illuminating the old furniture that lay within. They moved cautiously towards the ancient wardrobe, unsure about what they would find inside, but feeling strangely drawn towards it. Their hands were shaking and their hearts were racing. Both children took a deep breath in and quickly opened the doors. With a loud screech, the doors swung open, revealing a bright light inside. They peered in cautiously and saw a mysterious and strange world hidden in the back of the wardrobe. They could see snow covered trees and beautiful blue skies. A small deer looked up at the children, staring at them curiously. The trembling children took a hesitant step towards the strange new world, eager to discover the mysteries that lay within!

*Teaching Reading to English Language Learners, Grades 6-12* Margarita Calderon, 2007-05-18 This book should be in the hands of every middle and high school teacher serving not just ELL students but all students who need help increasing their speaking, reading, and writing skills. Jane Escobedo, Director, English Language Learner Services, Sonoma County Office of Education, CA. For ELL students to succeed academically, effective teaching strategies and best practices must be demonstrated in the classroom. This book provides a detailed map for helping to ensure success for all students. Daniel S. Hamada, Superintendent, Kauai Complex Area, HI. A powerful array of field-tested literacy tools for closing the achievement gap. No longer confined to just a few states, English Language Learners (ELLs) present a growing challenge for schools and school districts across the country. *Teaching Reading to English Language Learners, Grades 6-12* provides a comprehensive and systematic framework for developing literacy skills and accelerating language development. With funding from the Carnegie Corporation and the U.S. Department of Education, author Margarita Calderon has developed a research-based approach to expediting reading comprehension that results in higher test scores not just for ELLs but for all students. This practical guide is full of ready-to-use tools including lesson templates, rubrics, sample lesson plans in mathematics, science, language arts, and social studies, descriptions of successful programs, professional development designs. Without strong reading skills, students will never reach their full potential. But now this remarkable book offers a rigorously tested, NCLB-aligned instructional model for improving reading in all content areas. Designed primarily for middle and high school teachers of English, science, math, and social studies, this book will also be a valuable resource for middle and high school principals, literacy coaches, and content curriculum specialists.
