Routledge Handbook of Character Assassination and Reputation Management Sergei A. Samoilenko,Martijn Icks,Jennifer

Keohane, Eric Shiraev, 2019-12-05 In modern politics as well as in historical times character attacks abound Words and images like symbolic and psychological weapons have sullied or destroyed numerous reputations People mobilize significant material and psychological resources to defend themselves against such attacks How does character assassination work and when does it not Why do many targets fall so easily when they are under character attack How can one prevent attacks and defend against them The Routledge Handbook of Character Assassination and Reputation Management offers the first comprehensive examination of character assassination Moving beyond studying corporate reputation management and how public figures enact and maintain their reputation this lively volume offers a framework and cases to help understand critically analyze and effectively defend against such attacks Written by an international and interdisciplinary team of experts the book begins with a theoretical introduction and extensive description of the five pillars of character assassination 1 the attacker 2 the target 3 the media 4 the public and 5 the context The remaining chapters present engaging case studies suitable for class discussion These include Roman emperors Reformation propaganda the Founding Fathers defamation in US politics women politicians autocratic regimes European leaders celebrities nations Internet campaigns This handbook will prove invaluable to undergraduate and postgraduate students in communication political science history sociology and psychology departments It will also help researchers become independent critical and informed thinkers capable of avoiding the pressure and manipulations of the media

America's Post-Truth Phenomenon C.G. Prado, 2018-04-19 This book presents absorbing and critical expert perspectives on the post truth phenomenon that has infiltrated the U S political system media and populace Deception in politics is nothing new but the quantity of unsubstantiated statements in America today is unprecedented False notions fake news alternative facts and opinions are being pitched from sources including the White House Congress and the American population via Twitter Facebook and online news sites as well as print television and radio Such a widespread spectacle instantly captures the attention of people nationwide but disagreement has the nation almost bordering on civil war over the definition of the truth and what this book calls post truth In this text C G Prado and expert contributors present varied perspectives on post truth its authoritarian implications for the nation and how we can approach information to differentiate between truth and post truth Speaking to general readers students and scholars alike chapters include text on the historical and social events that initiated and developed post truth and why some people are more prone than others to accept and perpetuate post truth They also discuss post truth as a threat to democracy

Delusion
Confusion Collusion Trinidad Molina, 2020-05-21 We are once again having to choose who will lead this great nation of ours for the next four years we must all make a sober and intelligent decision The list of candidates and their platforms are somewhat confusing we may as well close our eyes and just press whatever button our finger lands on hopefully this book will help clear a few things come election day *iObamanos!* Hendrik Hertzberg, 2009-10-29 Hertzberg has a novelist's control of metaphor and a comedian's gift for the one liner The New York Times Book Review Ob manos is powered by

celebrated political essayist Hendrik Hertzberg's Comments for The New Yorker's The Talk of the Town and the personal blog he began keeping on the magazine's Web site fifteen months before the election Hertzberg follows the players and the stars while examining the issues that emerged as critical during the debates such as health care the Iraq war and the economic crisis Through his observation and analysis of the campaign's defining moments we come to see the current political landscape in a new light Ob manos the title inspired by a poster Hertzberg saw on a dusty road near Santa Fe heralds the opening of a new era in American politics

OBAMA'S DEADLIEST COVER-UP: They All Have Blood on Their Hands Don Blankenship, 2020-04-03 In 2010 a mine explosion killed twenty nine coal miners in Raleigh County West Virginia Obama's Deadliest Cover Up goes beyond the official narrative of the 2010 Upper Big Branch UBB Mine disaster to disclose the dark truth In this daring expos Don Blankenship reveals how far the government will go to keep its dirty secrets even if it means disparaging deceased miners and sending innocent Americans to prison Using government documents witness testimony and science Blankenship pieces together the Obama Biden administration's responsibility for the explosion Blankenship explains how the government used prevarication lies and document destruction to bury the truth Blankenship calls the American media Pinocchio and backs it up Blankenship demonstrates that America's elite America's media and America's DOJ hid the UBB truth and says They all have blood on their hands An unflinching look at corruption in America Obama's Deadliest Cover up issues a dire warning Our government will do anything to get what it wants

More than Don't Let 'em Win DC Vesser,2020-01-21 This book attacks a poison that for so very long we have called political correctness Political correctness PC is the act of avoiding expression or language that can perceptively be construed as marginalizing by specific minorities or demographic groups It is often difficult to argue against PC because supporters of PC are likely to claim that contrary to using PC one would instead use expressions or language that offends which is oft what I wind up doing This response is a false conflation of permitting and condoning but the fallaciousness usually doesn t deter those who want to win the argument It s easy to accuse someone of simply seeking justification to use epithets in order to put him on the defensive and into the unenviable position of having to assert that he s not a racist It s also dirty and hateful to do so and that s how such responses should be considered We also review Agenda 21 Document 7277 the Illuminati the Club of Rome and the Committee of 300 in brevity We discuss the New World Order and speculate about megaregions and their locations both in the United States and abroad We take a very long train ride from the most southern tip of South America all the way to New Zealand and we discuss possibilities for a likely location for the capital of the world that may surprise you We even speculate about a location right here in the United States for a habitat for useless eaters We discuss how close we have come in our society to achieve all the goals of the New World Order I really hope you enjoy the read
