Imagining God Humberto Casanova,2020-02-05 An ever growing number of Christians are becoming more and more uncomfortable with the tenets of the church the stories of the Bible and the church s worldview Statistics show that these feelings easily escalate into a crisis of faith and for now their predicament is being resolved by leaving the church This book will certainly help dealing with the crisis by showing that the language of faith is built by a web of metaphors taken from the Ancient Near East We do not need to take biblical language literally but as parables for human values in need to be assessed critically Bloodlines (Foreword by Tim Keller) John Piper,2011-09-08 Genocide Terrorism Hate crimes In a world where racism is far from dead is unity amidst diversities even remotely possible Sharing from his own experiences growing up in the segregated South pastor John Piper thoughtfully exposes the unremitting problem of racism Instead of turning finally to organizations education famous personalities or government programs to address racial strife Piper reveals the definitive source of hope teaching how the good news about Jesus Christ actively undermines the sins that feed racial strife and leads to a many colored and many cultured kingdom of God Learn to pursue ethnic harmony from a biblical perspective and to relate to real people different from yourself as you take part in the bloodline of Jesus that is comprised of every tongue tribe and nation 1 and 2 Timothy, Titus Walter L.
