PIN BASTING

Pin basting is a time-saver and can be used when you sew easy-to-handle fabric. Use fine pins and place them:

- On top of the fabric (never on underside in contact with feed).
- At right angles to the stitching line.
- Just nipping into the fabric at stitching line.

STARTING A SEAM

- Set stitch length selector for desired number of stitches per inch.
- Align fabric with appropriate seam guideline (see page 17).
- Position needle in fabric about 1/2 inch from back edge.

- Backstitch to edge for reinforcement by pushing in reverse-stitch push button. Hold button until stitches reach edge of fabric, then release for forward stitching.
