The Sex Texts Arthur L., 2013-09-16 For all intent virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia It follows then that we take for evident truths for example our views on the Creator and creation s sexuality gender issues and human relationship concerns may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of the original text and intent of Jesus Christ and the Bible authors Now isn t the mere chance of that being true too scary The Sex Texts Sexuality Gender and Relationships in the Bible by L. Robert Arthur raises just that possibility despite the strong likelihood of facing stiff criticism from many sectors mostly of the established Catholic persuasion Yet those inclined to know the true message of Jesus Christ and his closest disciples may well take heed to scrutinize at the very least what Robert is trying to point out in his work The Sex Texts Sexuality Gender and Relationships in the Bible promises to raise a storm but the public debate it could engender may yet start a new direction for the rest of humanity
