**Hazing (Ragging) at Universities: A Legal Perspective** Aashish Srivastava, Neerav Srivastava, D.K.

Srivastava, 2024-01-11 This is the first socio legal multi jurisdictional study on hazing ragging This book considers four countries the USA India Sri Lanka and Australia It states the legal position identifies lacunas in law and proposes possible legal solutions Unfortunately laws regulations and policies have failed to stamp out hazing from university campuses and residential colleges Hazing has spiralled out of control in a number of countries It has descended into a cruel barbaric and inhuman practice The number of students subjected to hazing and sexual abuse is alarming According to a 2022 survey more than half 53% of American students who were part of a fraternity or sorority experienced hazing Students are murdered harmed abused and suffer long term trauma The prevention of hazing is one of the most important responsibilities of 21st century universities The theme of the book is that universities are in the best position to protect students from hazing and must play a vital role As a sociological study the book also considers why hazing occurs and what can be done to prevent it Without engaging with the underlying causes legal punitive measures continue to address the symptom rather than the cause The book therefore explores how a more innovative approach to regulation can help tackle the cause The book will be of interest to policy makers regulators at universities education and legal academics and personal injury lawyers

Johnson, 2024-02-26 Ever wondered why secret societies are secret Why is it that an overwhelming majority of elite leaders in America including those who've occupied the highest office have belonged to an organization in the vast network of secret societies whose rituals and teachings derived from the ancient mystery schools of Egypt and Babylon Why is death the penalty for breaking a secret society oath Why do they pay homage to pagan gods and goddesses Why do many self proclaimed Christians belong to these secret societies when their practices blatantly violate God's Commandments such as Exodus 20:3 which states Thou shalt have no other gods before me And why don't their pastors say anything about it Is there a secret motive behind the positive PR that many of these secret organizations receive for their good deeds such as feeding programs scholarships volunteering youth mentoring etc that even the lower ranking members of these societies don't know about Could today's network of these secret societies be the architects and workers of the antichrist New World Order aka Illuminati as prophesied in the Holy Bible These questions and more will be answered by author and Evangelist Rayford L. Johnson who has spent more than 20 years researching writing and teaching on the occult Johnson has counseled and ministered demon deliverance prayers on many former members of the occult Many of them have testified that they have been set free by the power of Jesus Christ from the spiritual torment and generational curses that the pagan rituals and oaths have unknowingly brought upon them and even their family through the spiritual legalities of breaking God's commandments The Truth Shall Make You Free John 8:32 <http://www.thugexposed.org>
