signature Southern style *The One You're With* tells the story of a seemingly perfect marriage rocked by secrets from the past. High school sweethearts Mac and Edie Swan lead a seemingly picture perfect life in the sleepy sweet community of Oak Hill near Mobile, Alabama. Edie is a respected interior designer, Mac is a beloved pediatrician, and they have two great kids and a historic home on tree-lined Linden Avenue. From the outside, the Swan family is the definition of the good life. And life is good mostly. Until a young woman walks into Mac's office one day. A young woman whose very existence threatens all Mac and Edie have built and all they think they know about each other. Nineteen years after a summer apart with a family and established lives and careers, the past that Mac and Edie thought they left behind has come back to greet them. For the first time, constants in their lives are called into question: their roles as parents, their reputation as upstanding members of the community, and the very foundations of their marriage. As they wade through the upheaval in both their family and professional lives, they must each examine choices they made long ago and chart a new course for their future. Full length Southern women's fiction. Stand alone novel. Book length 116,000 words. Includes discussion questions for book clubs.

When should you apologise, cut your losses, make a U-turn? *Great Brand Blunders* takes an informed and at times acerbic look at the worst marketing and social media disasters of all time and treats them as an amazing learning opportunity. The first book for several years to examine brand failures and the first with a special focus on social media, *Great Brand Blunders* offers a mix of entertaining commentary and authoritative advice and features several first-hand interviews with those involved. A fascinating roll call of over 150 A-list brands in sticky situations, the book will be required reading not only for professional marketers, academics, and students but for anyone interested in the gritty stories and testing challenges that lie behind the polished brand images marketers hope to present to the public. From awful advertising to ridiculous brand extensions via misguided sales promotions and ill-conceived social media activity, *Great Brand Blunders* pulls no punches, putting rash decisions under the microscope and offering advice on how to avoid landing in the same foul mess yourself. *Resources in Education*, 1976 **New York Magazine**, 1968-01-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
