Ford Tough Patrick R. Foster, 2017-06-01 Get Fords complete story in Ford Tough 100 Years of Ford Trucks and see why they ve dominated the truck market selling 1 5 million trucks every year in the US alone In July 1917 Ford Motor Company introduced a one ton chassis for commercial

trucks marking what many historians feel was its official entry into the dedicated truck business. Sure after market pickup beds could be added to a Model T car to convert it to a pickup but with the debut of the rugged Model TT truck chassis Ford was firmly in the truck market. Eight years later Ford introduced its first factory produced pickup a sturdy half ton job the public loved. During the century that has passed since that first Ford truck chassis the F series has become the best selling truck in the world and the best selling vehicle of any type in America. Ford Tough 100 Years of Ford Trucks tells the entire Ford truck story from the very beginning when Ford got its start in truck production. This book provides the history of the wide array of models Ford has built over the past century including the Model A roadster pick up stylish 81C pickups legendary 1948 F 1 Bronco Courier Ranchero and Econoline.

Tourism Enterprises and Sustainable Development David Leslie, 2010-03-17 The tourism industry has increasingly recognized and responded to growing environmental concerns. In recent years there has been an emergence of a variety of categories of tourism considered more environmentally friendly green eco tourism and sustainable tourism. Much of the literature that has addressed these developments has been orientated to the destination locale or specific to a development. These texts have not sought to investigate and examine the response of government national tourist organizations to the international sustainability agenda and the responses actions of tourism enterprises to this greening agenda. This text aims to address this remarkable gap. This indispensable contribution to the field provides a comprehensive state of the art perspective on progress towards the objectives of sustainable development within the tourism sector across the globe by focusing on the environmental performance and adoption of environmental management systems by tourism enterprises.
