The Dark Side of Teaching Tonya Harris-Weaver, 2010-11 This book is about my life as a teacher and the unethical procedure followed by the Polk County School Board to try to end my teaching career The Educational Code of Ethics was not used as a guide line regarding my termination I was fired twice without warning or notice I e mailed the governor the first time for reinstatement After being reinstated I was fired again When I asked why was I fired The principal looked at me with a smile and said Reflect back Well what was there to reflect back on when mostly all of my children scored high on their state and national reading test This book deals with the emotional stress of teachers and what they encounter on a daily basis in the school system Why is it that not all of our teachers voice are being heard Some parts of the book talks about mission and vision the little Principals How to avoid pitfalls of teaching How to become an effective teacher and steps you can take if you are terminated The emotional stress of the student with without disabilities in learning Why are our children failing state and national test but making A B honor roll on class room test Emotional stress of parents and why is there a break down in the educational system How to determine if your child has an effective or ineffective teacher Statistical reports from other states regarding education This book uncovers t he Dark Side Of Teaching When you have finished reading this book you will have the knowledge and tools needed to become an effective teacher as well as knowing your rights according to the code of ethics

Stakeholder-Driven Strategic Planning in Education Robert W. Ewy, 2008-11-13 No school district becomes excellent without a strategic plan but many remain mediocre with them What makes the difference This book has been written to describe what it means to engage in serious long range or strategic planning and to provide solutions to the

inadequacies and inconsistencies found in the way school districts approach this process The book is intended to be as practical as possible meaning that by understanding the design and following the suggested strategic planning team activities found in each chapter you could facilitate this process in your district All key components are described and multiple examples are used to help the reader understand the intent of each component and how the components fit together In addition questionnaires and surveys are included to simplify facilitation The basic reference used to refine the Stakeholder Driven Strategic Planning process is the Strategic Planning Category of the Baldrige Education Criteria for Performance Excellence Assessment for Instructional Planning in Special Education Naomi Zigmond, Ada Vallecorsa, Rita Silverman, 1983
