

English 1.1 Semester 2- Unit 1: Modernism and Language

1.1: Steinbeck and the Depression

Key Terms (Notes): Key terms can be used to help with AEL quizzes and the CTR in Unit 1!

Antecedent: A noun or noun phrase that is replaced by a pronoun later in the sentence or in a nearby sentence.

Author's purpose: The reason the author wrote or is writing about a topic.

Body paragraph: A section of an essay in which the topics are presented and supported.

Claim: An argument or point that has not yet been proved.

Commentary: A discussion of the purpose or significance of a text, also called analysis.

Conclusion paragraph: The final paragraph in an essay in which the writer sums up his or her argument.

Diction: The word choice and purposeful arrangement of words that affect meaning in speech or writing.

Direct quote: Restating someone else's words exactly as they appeared in the original source. Direct quotes should be indicated by quotation marks.

Dust Bowl: an area of Oklahoma, Kansas, and northern Texas affected by severe soil erosion (caused by windstorms) in the early 1930s, which forced many farmers to move because drought dried up their crops and they were unable to pay their debts, so the government repurchased their land.

Evidence: information that helps to support a claim, thesis, or main idea.

Great Depression: A worldwide economic crisis that lasted from after the late 1920s until World War II. It began because people were overspending, buying too much on credit, and overproducing about the future of the economy.

Indefinite pronoun: A pronoun that does not reference a specific person, place, or thing.

Interlary chapter: A chapter that breaks in some way from the narrative flow of a novel. The interlary chapters in *The Grapes of Wrath* tell a bigger story about the Dust Bowl, the effects of the Great Depression, and the effects of changes in agriculture and the rise of large corporations.

Introduction paragraph: The first paragraph in an essay. It almost always includes the main idea, claim, or thesis statement.

John Steinbeck: an American author most notable for writing *The Grapes of Wrath*. In order to prepare for his book, he researched and wrote articles about migrant farmers, and the struggles they faced.

Literary analysis essay: An essay that explores how a piece of literature works and why it is meaningful.

Object: In grammar, what is receiving the action of the verb.

Parallelism: A pattern in writing in which words and phrases are similar in structure, one echoing another. For example: The wind blew, the leaves blew, and the birds blew away. Steinbeck uses parallelism in *The Grapes of Wrath* to emphasize certain images, develop his tone, and highlight the contrast between opposing ideas, evidenced in the sentence: "He measured it and broke it up. He wore down on it, and we got killed on it, died on it."
