English 2nd Term Ss2:

Bond of Three Emeke Obi, 2011-04-12 Onyekachi is a naturally shy boy valiantly overcoming his own reluctance by acting like a man extending his hand first and greeting Njideka Nneoma has other plans for him beyond shaking hands she arranged the meeting Her scheme is beyond his comprehension The affinity and closeness between Onyekachi and Nneoma has always been there Closer than a brother and sister the two grow up in the same village where they protect nurture and trust each other despite attending different schools As Onyekachi and Nneoma develop into adolescents the virtuous Njideka joins and a perfect friendship begins Together the trio begins imagining their futures filled with beautiful and inspiring dreams After Onyekachi begins to feel a stirring in his heart for Njideka the two pledge their love to each other as Nneoma creates a plan for her own future But it is not long before the three friends realize that making their dreams come true may be more difficult than they ever imagined **Bond of Three** narrates a poignant tale that captures the essence of Nigerian life and shares the memorable journey of three young adults who learn the everlasting value of true friendship

Dictionary of Minor Planet Names Lutz Schmadel, 2003-08-05 Dictionary of Minor Planet Names Fifth Edition is the official reference for the field of the IAU which serves as the internationally recognised authority for assigning designations to celestial bodies and any surface features on them The accelerating rate of the discovery of minor planets has not only made a new edition of this established compendium necessary but has also significantly altered its scope this thoroughly revised edition concentrates on the approximately 10 000 minor planets that carry a name It provides authoritative information about the basis for all names of minor planets In addition to being of practical value for identification purposes this collection provides a most interesting historical insight into the work of those astronomers who over two centuries vested their affinities in a rich and colorful variety of ingenious names from heavenly goddesses to more prosaic constructions The fifth edition serves as the primary reference with plans for complementary booklets with newly named bodies to be issued every three years
