What is land A resource to be exploited A commodity to be traded A home to cherish In Guatemala a country still reeling from thirty six years of US backed state repression and genocides dominant Canadian mining interests cash in on the transformation of land into property while those responsible act with near total impunity Editors Catherine Nolin and Grahame Russell draw on over thirty years of community based research and direct community support work in Guatemala to

expose the ruthless state machinery that benefits the Canadian mining industry a staggeringly profitable juggernaut of exploitation sanctioned and supported every step of the way by the Canadian government This edited collection calls on Canadians to hold our government and companies fully to account for their role in enabling and profiting from violence in Guatemala The text stands apart in featuring a series of unflinching testimonios testimonies authored by Indigenous community leaders in Guatemala as well as wide ranging contributions from investigative journalists scholars Lawyers activists and documentarians on the ground As resources are ripped from the earth and communities and environments ripped apart the act of standing in solidarity and bearing witness rather than extracting knowledge becomes more radical than ever Children's Books in Print, 2007 ,2006 *Joyce in the Belly of the Big Truck; Workbook* Joyce A.
