[Insider's Guide To Ivy League Admissions](#) , **Human Rights Education** Dr Ghanshyam Vatsa, Gireesh Tripathi, Priyanka Malhotra, Ms. Kshitija Landge, 2022-09-26 This book presents a critical investigation of the creation dissemination and consumption of HRE as well as an analysis of how the discourse is created historically socially and politically via the practice of global organizations and local NGOs The concept that HRE is formed of ideas of human and education which are both complicated and have a myriad of facets is presented at the beginning of the book The book demonstrates how over the course of time a dominant discourse of HRE which was constructed by the institutional framework of the United Nations has come to prominence It also demonstrates how this dominant discourse is reproduced and validated through the practice of intermediary NGOs involved in HRE activities to community groups A large number of non governmental organizations NGOs all over the globe are using human rights education HRE as a method of community empowerment with the strong conviction that it would assist people in leading better lives These processes may be understood in a number of different ways one of which is that they convert universal human rights speech using words and symbols that make them relevant to the day to day lives of individuals and that have cultural resonance However an alternative and more radical viewpoint is that such processes should participate people in modes of critical examination into

the ways that current power structures keep the status quo and regulate not only how we comprehend and speak regarding social injustice and but also how we act on it This is a more radical perspective
