Essentially English almost certainly quirky and definitely a little crazy come and meet our feisty R E D Retired Extremely Daisy heroine and find out why she s such a hit with readers One of the best cozy mysteries I ve ever read A real breath of fresh literary air This time Daisy s past catches up with her again but in an even more worrying way Following a recent embarrassing diplomatic mess MI6 has tasked an obnoxious thoroughly unpleasant senior agent with cleaning up their image Part of his task involves scrutinising old missions from before the time the SIS had to be more politically correct His eagle eyes have unearthed a case in 1998 which he believes proves Daisy to be a double agent and unfortunately for her he has the authority to prosecute He s not letting go but then a couple of discoveries in Daisy s present spook her even more The darker side of MI6 is out to make an example of her and ensure they re seen to be doing it She realises she has to tread very carefully to prove her innocence especially as recent events are more fuel for the pointing finger Daisy can t trust anyone outside her family other than the one person who might be able to help The only problem is she s not in the UK A trip to the Caribbean is on the cards but when Daisy and Aidan reach Emerald Island it s not long before they discover something no one in the entire world expected Read all about Daisy and everything else we do on the spectacular new rtgreen website And enjoy *Daisy: Not Your Average Super-sleuth!
