Health Promotion in Schools, Universities, Workplaces, and Communities Graça S. Carvalho, Emily Darlington, Teresa Vilaça, 2024-12-17 Health education well being improvement and advocacy are effective health promotion strategies among cutting edge Public Health practices Salutogenic perspectives rooted in ecological models have taken their rightful place to empower individuals and communities to change their life ecosystems and preserve and improve their health It is imperative to shift from targeting protective or risk factors which have linear causal relationships with health conditions and or comorbidities and encompass a systemic understanding of the role of health determinants in creating health Individual collective and structural ecological approaches can better reduce health inequities Moreover engaging the presumed beneficiaries from such strategies ensures that actual needs are identified and choices are context specific It improves the whole implementation process as well as its results Higher levels of participation such as co creation imply a bottom up voluntary collaborative process rooted in values of diversity mutual trust openness autonomy freedom and respect as well as shared expertise responsibility and decision making which are essential values in co creating health promotion How Much Is the Cost of Coding Errors? Prof Emeritus Dr. Syed Mohamed Aljunid, Dr. Siti Athirah Zafirah, 2023-03-24 Casemix system or Diagnosis Related Groups DRGs has been implemented in UKM Medical Centre currently known as Hospital Canselor Tuanku Muhriz UKM since 2002 with the deployment of a locally developed MY DRG casemix grouper Coding of diagnosis and procedures using ICD 10 and ICD9 CM are among the major variables required for optimum implementation of casemix system The impact of coding errors on hospital revenue and budget has rarely been assessed in countries that implement casemix system for provider s reimbursement This book reports an outcome of the first study done in Malaysia to quantify the economic losses due to coding errors A blinded re coding process was conducted to evaluate the quality of clinical coding of randomly selected patient medical records from four major specialities in the hospital Medical Surgical Paediatrics and Obstetrics Gynaecology The rates of overall coding errors were identified and the different types of coding errors were analysed and reported in detail The amount of losses in hospital revenue due to coding errors were estimated in the study Factors that led to the coding errors of diagnoses and procedures were analysed and presented in this book It is hope that results of this unique research reported in this book would encourage leaders in hospital services to pay serious attention on the problems and embark on intensive and continues training of coders and other clinical staff to effectively reduce the coding errors in the implementation of casemix system Health Psychology Regan A. R. Gurung, 2018-08-29 Health Psychology Well Being in a Diverse World introduces students to the main topics and issues in health psychology through a unique perspective focused on diversity Using a conversational tone author Regan A R Gurung explores the key determinants of behavior such as family environment ethnicity and religion and connects concepts to personal experiences for students to gain a deeper understanding and appreciation of the material Extensively updated based on over 1 000 new
