elites and the poor the famous and the forgotten in a career that spanned nearly 50 years To paint a word picture of the pioneer preacher and the pioneer territory which captures the real feeling which Brother Van had for Montana and which Montana had for Brother Van is almost impossible But Bob Lind a part of the Church which Brother Van helped to establish has come closer than any writer to date Lind s picture of Brother Van and his times is reliably accurate though it was no easy task to detach fact from fiction in giving account of a man about whom stories grew like grass on the Montana prairie He found in Brother Van s life so much adventure and color that he only needed to tell the story as it was When you finish reading this book you will have met the best of the early frontier in the Rocky Mountain west You will follow a man who made a pulpit for preaching the Good News out of the freighter s or cowboy s camp the cabin or the ranch home the Indian tepee the barroom or the street corner And you will see that to all of his congregations formal or informal he always gave his best in word and song George A Harper Foreword
