

A close-up, low-angle shot of a red Hesston 1340 combine harvester. The machine is positioned in a field of dry, yellowish-brown grass under a clear blue sky with some light clouds. The harvester's red frame is the primary focus, with a white label displaying the number '1340' and a black label with the brand name 'HESSTON' in white capital letters. Above the main frame, a yellow cylindrical component, likely part of the grain elevator or auger system, is visible. A black metal structure, possibly a support or part of the harrow, extends from the top of the machine. In the foreground, a black horizontal pipe or hose runs across the lower portion of the frame. The overall scene suggests a harvesting operation in progress.
