Global English Slang Julie Coleman, 2014-01-10 Global English Slang brings together nineteen key international experts and provides a timely and essential overview of English slang around the world today The book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub fields of linguistics A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves what is slang in one context is not slang in another The volume also challenges received wisdom on the nature of slang that it is short lived and that slang is restricted to verbal language With an introduction by editor Julie Coleman the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland Authors also explore slang in Jamaica Australia New Zealand India and Hong Kong and the influence of English slang on Norwegian Italian and Japanese A final section looks at slang and new media including online slang usage and the possibilities offered by the internet to document verbal and gestural slang Global English Slang is an essential reference for advanced undergraduates postgraduates and researchers working in the areas of lexicology slang and World Englishes

Ansari and J. Alan Veerkamp, 2021-08-25 Corporations control every sector of society from law enforcement to automated manufacturing The economic and social divides are chasms Jobs are scarce for an undocumented slug like Arad Ansari and life on Earth's Grey District A 5 colony is even harder With no other options he plies his youthful looks to hustle enough money to stay fed even without a roof over his head So when Captain Torrins of the Midas Ascending offers him employment as his personal cabin boy Arad takes the opportunity despite his reservations Because what other choice does a desperate poverty stricken man with no prospects have When corporate military forces demand payment for Torrins and the crew's sins Arad is left alone and adrift in unknown space After years of smothering on the crowded streets of Grey District a ship of his own should be an unexpected windfall but it doesn't take long to discover what or rather who were originally being smuggled on board More than human more than an animal Roku is a blend of both a marvel of genetics and highly illegal His past is a mystery even to himself a story told only through his nightmares Despite a dubious introduction an unspoken bond forms between him and Arad while they try to repair the ship before supplies run dry or corporate forces track them down Time is not on their side Overcoming their pasts and learning to trust one another are the keys to Arad and Roku's survival and they have to succeed to find their place together in the universe

I, Volcano Eule Grey,2021-08-25 According to ancient rhymes the islanders of Ansar and Skarle are children of the volcano born of fire and destined to be lovers After the eruption the prophecies are forgotten as all are forced to flee Nobody cares about silly nursery rhymes now certainly not Jalob When shy medic Jalob Baleine heads to war it isn't for romance She only wants to help refugees who have no home or allies Because they are kin Jalob was born under the same glowering volcano on an idyllic island surrounded by dolphins Like the refugees she fled the lava and secretly cherishes the old ways She falls asleep ignoring the pull of tides and dreams of a loving touch Who doesn't And sure maybe Jalob hasn't felt whole for years but war isn't the time for fantasies She keeps to herself and hopes someone else will sort the war out One woman can't heal the world After all she has enough to do what with tending the sick and her supervisor Susan always on her back Then Jalob meets stropky violinist Corail E splash After an explosive introduction they're forced to spend time together Stress makes them long for a reprise and a fragile line dances between love and hate Inevitably the young women exchange island stories Corail is head strong and rude a typical Ansar who loves to tease and be chased And Jalob strong loyal from Skarle has such fast legs Could the old rhymes about destiny be right Ah fate Death and war are relentless enemies and difficult choices lie ahead Can a shy girl rekindle the power of a dead volcano and harness the ocean One woman can't heal the world but maybe Jalob is the only one who can save Corail
