What if I told you that complete acceptance of our identity is fundamental to our way of life since every interaction emerges from our authentic self The number one problem nowadays is the fact we have lost contact with our true identity We subscribe to ideologies and beliefs regarding who we should be because we want to be accepted This comes at a cost to our self worth since we give up an aspect of ourselves and lose our authenticity Are you tired of not having your personal needs met Do you want to live a better life but don t know how My book will help you reconnect you with the core of your essential self It is a move away from whom you should be which is adopted by popular culture My book invites you to reconnect with the deepest part of your being which knows who you are and how you should live You have more power than you realise More genius than you can imagine More wisdom and knowledge than you can ever access When you let go of the false belief that you are lacking or inadequate in that moment you arouse your potential This is not a patronising statement to seduce you into a false belief You have unlimited power and accessing that power is the basis of my book *Awaken Your Authentic Self* My name is Tony Fahkry I am a three time author expert speaker and life coach for over 15 years I believe everyone has great potential within them It is a matter of awakening it to reach your most efficient level By focusing on what is meaningful to you my book will bring value to your life by helping you think clearly and make decisions in alignment with who you are My book will help you discover your genius talents and gifts and awakening your highest potential If you are ready to break free from your limited beliefs thoughts and ideas of the world I invite you to purchase your copy of *Awaken Your Authentic Self* today so you can experience the results I speak of Unless you challenge the status quo you will remain one of the masses One has only to look to mainstream culture to see the effects the media and marketing hype have on our society Don t become of the masses You have so much potential within you waiting to come alive Believe that you are worthy and capable of great things and it will become your reality *Awaken Your Authentic Self* is endorsed by the international acclaimed spiritual author and silver prize winner of the Nautilus award Dennis Merritt Jones who wrote the foreword **A Scriptural Commentary on the Book of**
