Kairos Retreat Manual:

My Brother's Keeper Jonathan Burnside, Joanna Adler, Nancy Loucks, Gerry Rose, 2013-06-17 Ten years ago there were no faith based units in prisons outside South America Today they are spreading all over the world including the United States Europe and the Commonwealth My Brother s Keeper is the first major study of a global phenomenon Exploring the roots of faith based units in South America it explains why the Prison Service of England and Wales set up the first Christian based unit in the western world in 1997 and its rapid expansion It also explains how at exactly the same time the United States introduced Christian based units and why they were complimented by interfaith and multifaith initiatives At the heart of My Brother s Keeper is an interior account of life inside four Christian based prison units in England It draws on the findings of a detailed evaluation conducted by the authors for the Home Office Prison Service and Kainos Community between 2000 and 2001 including an updated reconviction study It is an authoritative account of an innovative programme Its analysis of what works and what doesn t in faith based units around the world makes My Brother s Keeper a valuable roadmap for all who care about improving prison conditions It presents a vision of justice that is not just concerned with building more prisons but with rebuilding more prisoners It argues that by making prisons more human and punishment more humane faith based units can be of value and keep faith in prisons

Barnwell, 2016-03-21 In this stirring book William H Barnwell tells the stories of prison inmates and the Kairos Prison Ministry volunteers who work with them Set mostly at the huge Louisiana State Penitentiary at Angola Barnwell s narrative illustrates how offenders who have done the worst can and do change becoming model inmates and if released productive citizens The stories also reveal how Kairos volunteers have found healing for broken hearts Given that the United States incarcerates more people per capita than any country in the world reformers are seeking radically new ways to reduce our prison populations Kairos volunteers and inmates alike have much to contribute to the ongoing reform discussions Now serving 300 state and federal prisons 30 000 Kairos volunteers work with 20 000 inmates each year They take part in long weekend retreats with the inmates and follow up with regular prison visits Since its beginning in 1976 Kairos has served over 250 000 inmates Broad based nondenominational and nonjudgmental Christian Kairos seeks to carry out its slogan listen listen love love among inmates who have had few to listen to them and fewer still to love them In Called to Heal the Brokenhearted are stories of undeniable redemption They point the way to personal transformation for the inmates and the volunteers One Kairos inmate speaks of the change this way he makes guitars out of the good wood hidden beneath the surface of throwaway pianos I find my work incredibly fulfilling he says I see myself in every piano discarded by society but redeemed and put to use in a new way
