**Bullying in a Small Town of China** Jinlong Wang,101-01-01 In a small town of North China Fengjin generation after generation people have been suffering from the unfairness and injustice under an extreme social system The powerful and the rich have dominantly occupied core social resources The law of jungle prevails and tragedies exist everywhere Gongsun Ji was born in Fengjin the small town of North China From the moment he opened his eyes to the world he has experienced all kinds of unfairness and injustice that the small town of Fengjin brought to ordinary people as well as the disasters of people fighting and tearing each other apart The atmosphere of beating and scolding in Fengjin has a long history Gongsun Ji has no way of verifying where the tradition of beating and scolding in Fengjin originated from and

why it started He only remembers the beating and scolding he experienced growing up and he doesn't know how long this vicious cycle of beating and scolding will continue To gain a foothold in the small town like Fengjin you have to be ruthless be tolerant or be gone In an extremely centralized and authoritarian society when social wealth is seriously unbalanced the powerful tends to hold power no matter how which will continue to strengthen the polarized distribution mechanism of social wealth leaving those innocent and helpless ordinary people who work hard without any hope of improvement If things go on like this it will inevitably arouse all kinds of social dissatisfaction and various social problems will arise in the micro areas Gongsun Ji did not know what the future society would be like but having grown up under an extreme system in a small town he had visited many parts of the world and seen some foreign civilizations under different social systems He once thought that some people and some things might be different The future belongs to the people of future but now is the present and people can still think more reflect and do something [Scott Foresman-Addison Wesley Mathematics](#) ,2008 **Teaching**
