Short Story Comprehension Questions

★ Firefly ★

Name: _____

Once upon a time, in a magical forest filled with tall trees and twinkling stars, there lived a tiny firefly named Spark. Spark was no ordinary firefly; he had a heart as bright as the moon and wings that shimmered like diamonds. However, he was also the smallest firefly in the forest, and this made him feel sad sometimes.

Every evening, when the sun dipped below the horizon, the forest came alive with a dance of lights. Fireflies of all sizes and colors would gather together to create a breathtaking spectacle. But Spark often felt left out because he couldn't fly as high or shine as brightly as the others.

One day, as the fireflies were getting ready for their evening dance, Spark mustered up all his courage and approached Luna, the oldest and wisest firefly of them all. "Luna," he said, "wish I could dance like you and light up the night sky. But I'm so small and not as bright. I don't think I can join the dance."

Name: _____

What is the name of the main character in the story?

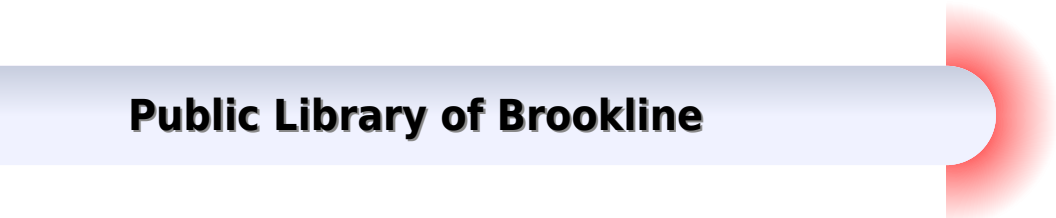

Where does the story take place?

What did Spark ask Luna, the wise firefly?
