Directions: Complete each of the following sentences. Make sure to read the directions for each sentence and look at any examples that may be provided. The sentences should be completed *chronologically*, meaning the questions are asked in the order the book is read.

Adding to Character Matter: In the Issues section, discuss in detail what information we have learned about each of the characters in the specific chapter. You read about many new facts about your characters. Adding a paragraph or two that "unpacks" your observations. **Teacher Note:** We invite you to explore the answer keys provided in the table at the end of each unit. You may want to continue making copies or postcard to fit the needs of your classroom. We think it would be a wonderful idea to use the answer keys in your classroom.
