THEMES

Peace and Peril in Nature

Into the Wild is the true story of Chris McCandless, a college graduate who turned his back on the material world and his family in 1990. For the next two years he embraced a new identity—Alexander Supertramp—and sought simplicity while traveling through the continental United States and the Alaskan wilderness until his untimely death.

Beathan,2019-06-10 Into the Wild by Jon Krakauer Book Summary Abbey Beathan Disclaimer This is NOT the original book The brave quest of Christopher McCandless that ultimately lead to his death It was 1992 and a young man decided to invent a new life for himself in the boldest way possible He gave his savings to charity abandoned his car and the vast majority of his possessions and last but not least burned all the cash in his wallet And now a man with no worldly possessions braced himself and went into a vision quest with no map no cash no car How did this journey turn out for him And what can we learn from his initiative Note This summary is wholly written and published by Abbey Beathan It is not affiliated with the original author in any way I read somewhere how important it is in life not necessarily to be strong but to feel strong to measure

yourself at least once Jon Krakauer The protagonist wanted a start over a fresh start where even his name would be different And in order to fulfill that desire and to live in an unfiltered way the experiences that nature presented he got rid of every bit of technology or cash he had in hand and decided to roam the world Sadly four months after his journey began his decomposed body was found by a party of moose hunters However the ending is not what makes it unforgettable but the events that led up to it and in Into the Wild you'll read about the entire story Witness the story of McCandless and his unique journey where nature was his only friend P S Into the Wild is a fascinating story that tells us all about McCandless vision quest P P S It was Albert Einstein who famously said that once you stop learning you start dying It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries Our vision is to make reading non fiction fun dynamic and captivating Ready To Be A Part Of Our Vision Mission Scroll Up Now and Click on the Buy now with 1 Click Button to Get Your Copy Why Abbey Beathan's Summaries How Can Abbey Beathan Serve You Amazing Refresher if you've read the original book before Priceless Checklist in case you missed out any crucial lessons details Perfect Choice if you're interested in the original book but never read it before Disclaimer Once Again This book is meant for a great companionship of the original book or to simply get the gist of the original book One of the greatest and most powerful gift in life is the gift of knowledge The way of success is the way of continuous pursuit of knowledge Abbey Beathan
