Cut

Cut removes the text or graphic and places it on the clipboard, ready to paste somewhere else. Try it: Insert two new pictures from ClipArt into Microsoft Word. Next to each picture, write what it is. Select ONE picture, go to Cut. Open a new blank document and go to Paste.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
