## **Motorcycle Club Prospect Application:**

*Biker Gangs and Organized Crime* Thomas Barker, 2010-04-06 This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual, group, or club sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the Big Five biker clubs because of their size and sophistication or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups, and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic scholarly works, law enforcement government reports, articles from newspapers, and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures.

*Biker Gangs and Transnational Organized Crime* Thomas Barker, 2014-10-17 *Biker Gangs and Transnational Organized Crime* Second Edition describes and analyzes a rapidly expanding global problem: criminal acts committed by motorcycle gangs. Thomas Barker, one of the world's top experts on outlaw biker gangs, offers fascinating details about the Bandidos, the Vagos, the Mongols, and other one percenters' criminal biker gangs as opposed to the vast majority of motorcycle enthusiasts. He combines this data with a strengthened conceptual framework that makes sense of this complicated picture. U.S.-based motorcycle gangs like the Hells Angels have proliferated especially in Canada and Europe to the point where these gangs have more members in other countries than in the United States. Increasingly more often in recent years, their crimes are not limited to rumble or drug use; these gangs challenge the dominance of organized crime, leading to violent conflicts between the rivals. Germany, Scandinavia, the UK, the Netherlands, and Canada are particularly hard hit by this rising violence. One of Barker's unique contributions is his Criminal Organization Continuum, building on the groundbreaking network approach to organized crime proposed by Klaus von Lampe. Introduced in the first edition, Barker elaborates his continuum tool and makes it more multi-dimensional to help refine the definition of adult criminal gangs. The product of years of research, this book lays the groundwork for further study by offering students, police, and researchers the most thorough account available of outlaw motorcycle gangs.

*Righteous Sisterhood* Sarah L. Hoiland, 2025-01-24 In this book, the author rides along with an all-women motorcycle club and observes their lifestyles and rituals of membership. She theorizes the sense of belonging they derive alongside their reactionary politics, their desire for relevance, and their alienation from male-focused right-wing spaces.

**The Ultimate Biker Anthology: An Introduction To Books About Motorcycle Clubs & Outlaw Bikers** Edward Winterhalder, Iain Parke, 2013-11-15 Outlaw bikers and 1%er motorcycle clubs have always carefully guarded their privacy; however, in recent years, more and more books have come to be written by and about outlaw bikers, the lifestyle, and the realities of life inside the patched motorcycle club world. bikers and the biker culture It features excerpts from internationally well known authors such as Peter Edwards Tony Thompson Edward Winterhalder and Iain Parke but also contains literary work from those who are relatively unknown and those who have only achieved recognition on a local scale Covering both factual accounts of life inside clubs such as the Hells Angels Satan s Choice Bandidos Rock Machine and the Outlaws as well as leading examples of biker based fiction that explore the images of bikers and crucial themes such as loyalty respect and honor this compilation is intended to introduce the reader to the secretive world of motorcycle clubs and outlaw bikers

Walter Stadnick is not an imposing man At five foot four his face and arms scarred by fire in a motorcycle accident he would not spring to mind as a leader of Canada s most notorious biker gang the Hells Angels yet through sheer guts and determination intelligence and luck this Hamilton born youth who had the nickname of Nurget rose in the Hells Angels ranks to become national president Not only did he lead the Angels through the violent war with their rivals the rock machine in Montreal in the Nineties Stadnick saw opportunity to grow the Hells Angels into a national criminal gang he was a visionary and a highly successful one Bikers are not known for their fondness for rival gangs Stadnick and the Angels fought and defeated rival gangs or used power of persuasion to patch them over As Stadnick s influence spread law enforcement took notice of the growing presence of the Angels in Ontario Manitoba and British Columbia However Stadnick s success did not come without a price Arrested and charged with 13 counts of first degree murder stadnick beat the murder charges but was convicted of gangsterism and is currently serving time *Fallen Angel* details one man s improbable rise to power in one of the world s most violent organizations while shedding light on how this enigmatic and dangerous biker gang operated and why it remains so powerful      [Bike Lust](#) Barbara Joans,2001-08-03

*Bike Lust* roars straight into the world of women bikers and offers us a ride In this adventure story that is also an insider s study of an American subculture Barbara Joans enters as a passenger on the back of a bike but soon learns to ride her own As an anthropologist she untangles the rules rituals and rites of passage of the biker culture As a new member of that culture she struggles to overcome fear physical weakness and a tendency to shoot her mouth off a tendency that very nearly gets her killed *Bike Lust* travels a landscape of contradictions Outlaws still chase freedom on the highway but so do thousands of riders of all classes races and colors Joans introduces us to the women who ride the rear the biker chick the calendar slut straddling the hot engine the back seat Betty at the latest rally or the underage groupie at the local run But she also gives us the first close look at women who ride in their own right on their own bikes as well as a new understanding of changing world of male bikers These are ordinary women s lives made extraordinary adding a dimension of courage to the sport not experienced by males risking life and limb for a glimpse of the very edge of existence This community of riders exists as a primal tribute to humanity s lust for freedom      *The One*
