**The Warlord's Legacy** Ari Marmell,2017-01-16 If death is the only true peace then there can be only one true peacemaker the Terror In the land of Imphallion one legend is remembered with horror the Terror of the East Twice his shadow has fallen across the land First to conquer it Then to save it Both times he brought blood and death as his companions And both times he faded into bleak memory Years later memories are all Corvis Rebaine has left The most painful of which is the memory of his beloved wife and children fleeing from him in horror after they learned of his terrible legacy War has cost him more than his life and he wants no more of it But what Rebaine no longer matters Because the Terror has returned A merciless killer seemingly clad in the Terror s old battle dress and wielding his demon forged axe is sweeping across the land slaughtering all in his path And worse an old enemy has returned to claim revenge aided by a woman whose very soul is consumed with rage and hatred towards Rebaine his own daughter Now Rebaine must again wear the dreaded dark armor if he is going to save Imphallion as well as all he holds dear But after so much war so much blood and so much pain can he summon the strength to truly become the Terror once more The sequel to The Conqueror s Shadow fills a vital niche in the fantasy adventurer genre one occupied by the heroes of Michael Moorcock s Elric Melnibon novels and C S Friedman s Coldfire Trilogy Library Journal All a reader could ever ask for in a bloody hack and slash sword and sorcery Grasping for the Wind Another thoroughly entertaining offering from Ari Marmell and one that any fantasy fan will have a lot of fun with Graeme s Fantasy Book Review The text of this edition is unchanged from that of the Del Rey edition

**The Conqueror's Shadow** Ari Marmell,2017-01-16 It is a curse to be haunted by the past It is worse to be hunted by it In the realm of Imphallion there once was a nightmare a living nightmare known only as the Terror of the East Nigh invulnerable in his magical black armor and aided by unholy minions he laid waste to all in his path on his all consuming quest to bring order to the land His order Then at what should have been his moment of triumph his will failed And his army fell Taking a young noblewoman as hostage he escaped vanishing into darkest memory Years later Corvis Rebaine is a simple man content with his loving wife and children The terrible deeds and glories of his past life are dead and buried along with his former name and its monstrous legacy until his daughter is taken by fiends under a maniacal young warlord looking to complete the Terror s conquest Now spurred to action by a newborn fury and

thirst for vengeance Rebane must do the unthinkable don the dark armor once again gather his once loyal cadre of killers and fight to save both the family he loves and the country he once almost destroyed And all who stand in his way will have one final thought before death The Terror has returned Action packed an intriguingly twisty plot full of magic and political intrigue Booklist Superior storytelling and deft dialog make this a top notch choice filled with dark humor as well as scenes of brutal battle and high magic Library Journal A powerful fantasy with well drawn heroes and delightfully wicked yet complicated villains Ari Marmell has made his mark in the genre Paul S Kemp author of the Erevis Cale trilogy A tale that begins where most stories end and features a most unlikely protagonist Twists of humor leaven this story of desperate people in dangerous times as a conqueror discovers that perhaps those who live by the sword are sometimes doomed to face the business end of one A great mix of character and action Robin Hobb author of Dragon Keeper The text of this edition is unchanged from that of the Del Rey edition Cold Flood R.
