Memory, Imagination, Justice David Gurnham, 2016-04-22 Through the creative use of literary analysis Memory Imagination Justice provides a critical and highly original discussion of contemporary topics in criminal law and bioethics Author David Gurnham uses popular and classical texts by authors including Shakespeare Dickens Euripides Kafka the Brothers Grimm Huxley and Margaret Atwood to shed fresh light on such controversial legal and ethical issues as passionate homicide life sentences child pornography and genetic enhancement Gurnham's overarching theme is the role of memory and imagination in shaping legal and ethical attitudes Along this line this book examines the ways in which past wrongs are remembered and may be forcefully responded to both by the criminal justice system itself and also by individuals responding to what they regard as gross insults threats or personal violations The volume further discusses the role of imagination as a creative force behind legal reform in terms of the definition of criminal behaviour and the possible future development of the law These ideas provide a useful and highly original perspective on contemporary issues of crime and society as they resonate both in legal and literary discussion State Violence, Collusion and the Troubles Maurice Punch, 2012-03-08 The period in Northern Ireland known as the Troubles 1968 98 seemed to have been conclusively ended by the official peace process But recent violence from dissident Republicans shows that tensions from the past remain unresolved State Violence Collusion and the Troubles reveals disturbing unanswered questions about the use of state violence during this period Maurice Punch documents in chilling detail how the British government turned to desperate illegal measures in a time of crisis disregarding domestic and international law He broadens out his analysis to consider other cases of state violence against insurgent groups in Spain and South Africa This is the story of how the British state collaborated with violent groups and directly participated in illegal violence It also raises urgent questions about why states around the world continue to deploy such violence rather than seeking durable political settlements THE GREATEST BRITISH DETECTIVES - Ultimate Collection: 270+ Murder Mysteries, Suspense Thrillers & Crime Stories (Illustrated Edition) Arthur Conan Doyle, Ernest Bramah, Arthur Morrison, Thomas W.
