

"What is this? Don't you know? It's the contract you signed yesterday when you were drunk and horny.

"What it says? Didn't you read stupid lover? Well I will explain to you retard. In this contract you signed to be my full time toilet slave for the rest of your life. There in this house you have marked that you will eat my shit, pee, puker, burrito's, vomit, spit, boyfriend's cum and other body fluids.

It also says this is permanent and that I may punish you in any way I want if you try to back out. Paragraph 17 also says I have no responsibility if you choke on my shit and dies and that all your money and possessions will go to me.

Yes, you fucking loser, it's serious. My best friend is an excellent lawyer and helped me write it. Of course you can take it to the court, but my will win. You know, I will have to show the court all the evidence. I like the video I recorded where you watch as my shit log and look into the camera and state that you want to eat my shit for your whole life and die on my shit. And yes, I have had the part of the video where I threaten to kill you if you don't say that.

Have you toilet? I have some cards coming for you?

**When A Man Cries** Siphiwo Mahala, 2014-08-01 Themba Limba is a family man who is caught between his flourishing career as a teacher and municipal councillor in the township of Sekunjalo and his overriding sexual interests. Despite his attempts to maintain his status in the community, his actions eventually lead to his downfall. What follows is an account, sometimes tragic, occasionally humorous, and always compelling, of Themba's efforts to regain his dignity and pride in the eyes of his family and community. *When a Man cries* is an uncompromising and engrossing novel about the challenges of manhood in contemporary South African society. It interrogates the dynamics of township life and the human and socio-economic realities of the most impoverished communities in post-apartheid South Africa. *Mary Janis Cooke*

Newman, 2010-12-03 A dramatic tale filled with passion and depression, poverty and ridicule, infidelity and redemption, this is the unforgettable story of Mary Todd Lincoln, one of history's most enigmatic and misunderstood women. Writing from Bellevue asylum, where the shrieks of the other inmates keep her awake at night, a famous widow finally shares the story of her life in her own words. From her tempestuous childhood in a slaveholding Southern family through the opium-clouded years after her husband's death, we are let into the inner, intimate world of this brave and fascinating woman. Intelligent and unconventional, and some thought mad, she held her family together in the White House, ran her family into debt with compulsive shopping, negotiated with conniving politicians, and raised her young sons during the Civil War. She was also a political strategist, a comfort to wounded soldiers, a supporter of emancipation, the first to be called First Lady, and a wife and mother who survived the loss of three children and the assassination of her beloved husband.
