Harold Ivan Smith, 2018-09-17 This book not only examines friendgrief from a theoretical and clinical framework but also Smith offers fascinating vignettes from the lives of well known friendgrievors such as Elton John Diane Sawyer Ralph Abernathy C S Lewis Harry Truman Tommy Lasorda Jimmy Carter Fritz Mondale Bill Clinton Calvin Trillin and Alan King The author includes moving narratives of numerous individuals who have never gained notoriety but have become seasoned friendgrievors **Memoirs of the Spirit**

is highly unique It highlights the failures of the memoirist David Renner rather than his successes And as such it strikes a chord of familiarity in all of us From the President of the United States on down the life of each of us is dominated by failures

many of which begin as successes For every triumph in life there is a corresponding defeat something we might note before we rush in fools to our next grand venture Renner doesn't rush into anything He chronicles the inevitable setbacks in his life with a steady stoic humor To him existence was summed up by the Firesign Theatre in 1971 when they released their signature album I Think We're All Bozos on This Bus With this thought as his anchor Renner neither soars with his successes nor collapses with his failures He simply glides or stumbles through his paces as the lead actor in a comedy There are serious moments in Renner's story which he traces back to Transylvania in Hungary the birthplace of his parents There is a dark family secret that he doesn't learn until at seventeen he's ready to go out into the world There is his service in Air Force Intelligence inside Communist territory at the height of the Cold War There is the surreal sight of Detroit where he is living in 1967 on fire during the riots there There are the strange days in the streets during the Democratic Convention in Chicago in 1968 And there is the decade long drug addiction and the pain of lost love But in this working class saga the light moments outweigh the heavy ones and ultimately Renner's self-deprecating sense of humor brings him success in one important respect as a human being
