My Name Is Selma Selma van de Perre, 2021-05-11 An international bestseller this powerful memoir by a ninety eight year old Jewish Resistance fighter and Holocaust survivor shows us how to find hope in hopelessness and light in the darkness Edith Eger author of *The Choice* and *The Gift* Selma van de Perre was seventeen when World War II began Until then being Jewish in the Netherlands had not been an issue But by 1941 it had become a matter of life or death On several occasions Selma barely avoided being rounded up by the Nazis While her father was summoned to a work camp and eventually hospitalized in a Dutch transition camp her mother and sister went into hiding until they were betrayed in June 1943 and sent to Auschwitz In an act of defiance and with nowhere else to turn Selma took on an assumed identity dyed her hair blond and joined the Resistance movement using the pseudonym Margareta van der Kuit For two years Marga risked it all Using a fake ID and passing as Aryan she traveled around the country and even to Nazi headquarters in Paris sharing information and delivering papers doing as she later explained what had to be done In July 1944 her luck ran out She was transported to Ravensbrück women's concentration camp as a political prisoner Unlike her parents and sister who she later found out died in other camps Selma survived by using her alias pretending to be someone else It was only after the war ended that she could reclaim her identity and dared to say once again My name is Selma We were ordinary people plunged into extraordinary circumstances she writes in this astonishing inspirational and important memoir Ariana Neumann author of *When Time Stopped* Full of hope and courage this is Selma's story in her own words *Report* United States. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
