But now it turns out Fern and Craig are the co-owners of her beloved Wildcat Hall Park. Craig hasn't seen Fern since she left Wildcat Bluff County and him to sing on a cruise ship. When she storms back into town the sparks between the two aren't only rekindled but burn hotter than ever. Long days turn into long nights and Craig is determined to make the most out of this second chance with Fern and show her she belongs in Wildcat Bluff and his arms. prestigious colleges and universities in the name of civil disobedience Add to that the rapid expansion of the drug culture the sexual revolution the Vietnam War protests and race riots and you have a pretty good idea of what the New York City Fire Department was up against All I can say is Wow I love reading and I usually go in for the lighter reads but a friend recommended this book It held my attention from beginning to end I will not spoil it for others you have to read this It will make you cry and laugh It will certainly give you a greater appreciation for firemen all over the country The author of this book obviously loved his job as a firefighter and his writing seems to come right from his heart Thank God for all you firefighters out there Thomas R Allocca from Naperville Illinois USA January 15th 2004
