Edwards, 2005 Unique in focus and content this book explores the basic concepts of public personnel management as they apply specifically to the fire service environment and circumstances Reflecting the author's extensive experience as a fire chief of a large fire department and a state fire training director it features insights discussions and real world examples that fire service personnel will recognize and relate to instantly Overview of Personnel Management Workforce Issues of the 21st Century Legal Issues Job Analysis and Design Fire Service Recruitment Selection for Employment and Promotion Training and Development Performance Appraisal Discipline Health and Safety Labor Relations and Collective Bargaining For practicing and prospective fire service personnel managers

Fire and Rescue Services Peter Murphy, Kirsten Greenhalgh, 2017-09-10 This unique text fills a major gap in the emergency services literature by surveying the research on fire and rescue service management in the UK An extensive evidence base focuses on organizational culture leadership skills standards and accountability emphasizing the services dual roles as first responders and guardians of public safety and prevention The implications for international public health and safety programs are made clear as the services recent history illustrates the complex challenges typical of functioning within local and national political contexts Chapters take on a broad range of management leadership service delivery and staffing concerns including Evolution and adaptation of fire and rescue services during periods of expansion and austerity Civil protection as a local and national priority Structural issues assessments and improvements collaborations with other services Emerging social concerns diversity gender equality the aging worker population The concepts and consequences of heroes and heroism Future directions for governance transparency and accountability *Fire and Rescue Services* complements the earlier volumes in the *Leadership Management of Emergency Services* series with equal parts realism and vision It should interest a wide audience of public policymakers public managers and emergency service personnel as well as academics and researchers

Fire and Rescue Service manual Great Britain. Fire Service Inspectorate, 2007-03-07 Incidents involving rescue from road vehicles are dramatically increasing in frequency There are some 3500 deaths on the road each year with 35 000 serious injuries Modern motor vehicles are becoming safer for occupants due to advancement in technology so persons are more likely to survive high impact speeds but are also more likely to become entrapped The Fire and Rescue Service as the primary rescue service requires national guidance to ensure a similar standard of response anywhere in the UK This manual is designed to highlight current best practice with regard to vehicle rescue techniques and first responder trauma care Each chapter forms an independent reference source but the publication as a whole forms a complete guide Chapters cover vehicle design and construction dealing with incidents safety procedures operational procedures extrication

equipment medical considerations and trauma care Integrated Personal Development System I P D S Appendices cover Highways Agency Fire and Rescue Service memorandum of understanding training and general information and emergency services personnel ESP aide mmoire The CD ROM Vehicle extrication techniques is a multi media guide to rescue tool handling and extrication techniques

Fire and Rescue Service operational guidance - railway incidents Great Britain: Department for Communities and Local Government, Chief Fire & Rescue Adviser, 2012-04-27 The Fire and Rescue Service Operational Guidance Railway Incidents presents a framework for a safe system of work for operations at incidents involving railways It provides robust yet flexible guidance that can be adapted to the nature scale and requirements of the incident Incidents involving railways may generate intense media attention where the operations of the emergency services are rigorously scrutinised Whilst much of this attention is approving it will invariably focus on the preparedness of the emergency services and their operational effectiveness Such incidents may place significant demands on local fire and rescue services and often require a national co ordinated response from across the country

Fire and Rescue Service operational guidance - incidents in tunnels and underground structures Great Britain: Department for Communities and Local Government, Chief Fire & Rescue Adviser, 2012-04-27 This publication presents a framework for a safe system of work for operations at incidents involving tunnels and underground structures It provides a robust yet flexible insight that can be adapted to the nature scale and requirements of the incident Incidents involving tunnels and underground structures may place significant demands on local fire and rescue services and have often required a national co ordinated response from across the country This type of incident may generate intense media attention where the operations of the emergency services are rigorously scrutinised Whilst much of this attention is approving it will invariably focus on the preparedness of the emergency services and their operational effectiveness

Fire and Rescue Service Great Britain: Parliament: House of Commons: Communities and Local Government Committee, 2006-07-12 The Government detailed its plans to reform and modernise the Fire and Rescue Service FRS in its White Paper Cm 5808 ISBN 0101580827 published in June 2003 and these subsequently became law under the Fire and Rescue Services Act 2004 The Committee s report examines the progress made to implement this challenging reform programme following on from a previous report by its predecessor Committee HCP 43 I session 2003 04 ISBN 0215014936 published in January 2004 The Committee has focused on a number of key issues including the impact of the introduction of regional control centres and new FireLink radio services fire prevention and risk assessment governance and funding arrangements staffing issues and policies to promote diversity within the FRS performance measurement and management and progress on joint working approaches between the FRS and other emergency services Findings include the unprecedented changes being implemented represent a positive change in emphasis for the FRS to a more pro active role in fire prevention and risk management the Government needs to make a stronger business case to convince and reassure the FRS that the project to create nine regional control centres called the

FiReControl model will bring enhanced resilience and efficiency and that the Government should ensure the new FireLink radio project includes the fire ground technological upgrade Organizing for Fire and Rescue Services Arthur E.

Cote,2003 Apply the experience of dozens of leading authorities with the new Organizing for Fire and Rescue Services This special fire service edition of NFPA s Fire Protection Handbook is comprised of 35 informative chapters that present the big picture in a single volume All the topics fire service managers and fire and life safety educators need to know about are here including Fire and fire science basics including fire data collection and databases and use of incident data and statistics Information on fire and life safety education including how to reach high risk groups understanding media and evaluation techniques Guidance on fire department administration and operations pre incident planning EMS training apparatus and equipment PPE managing response to haz mat incidents rescue operations fireground operations and more Order your copy today and put time tested knowledge to work for you Rebuilding the Fire and Rescue Services Peter Murphy,Katarzyna Lakoma,Peter Eckersley,Russ Glennon,2020-03-31 The book examines the new arrangements for organizing policy delivery and public accountability in Fire and Rescue Services Contributors of this invaluable text assess the effectiveness of government responses to new legislation that came as a result of inadequacies identified in governmental reviews namely the Policing and Crime Act of 2017 Reducing the costs for procuring fire and rescue service vehicles and specialist equipment Great Britain: National Audit Office,2010-07-23 Firebuy a specialist body established by the Department for Communities and Local Government to support procurement of kit by Fire and Rescue Services has cost nearly twice as much to set up and run as the total savings it claims to have delivered Without the power to make local Fire and Rescue Services use its national procurement contracts Firebuy has had to rely on persuasion Progress has therefore been slow with only five out of the 14 framework contracts it has set up being used by more than half Fire and Rescue Services to purchase equipment Most of the contracts allow suppliers to offer many variations of the same types of equipment allowing Fire and Rescue Services to procure expensive bespoke equipment and preventing suppliers offering lower prices through high volume orders The approach to measuring savings achieved by Firebuy is inadequate and the information that the estimated savings are based on is mostly unreliable The Department expected Firebuy to be self financing by its third year of operation 2008 09 but it is still heavily reliant on grants from the Department Firebuy is expensive to run with overheads between five per cent and 10 per cent higher than the industry norm The Department has not shown enough leadership direction or oversight of Firebuy to ensure it achieved its original objectives most of which were not monitored only 29 of 66 targets were monitored and many were not met
