Manual of Surgery Volume First Miles Alexander, 2016-06-23 **A Manual of Surgery, Vol. 1 of 3** Charles Stonham, 2017-10-16 Excerpt from *A Manual of Surgery Vol 1 of 3 General Surgery* The object of this work is to give a succinct account of modern surgical pathology diagnosis and treatment and it is intended as a manual for practitioners and students Much of merely historical interest has been purposely omitted partly on account of want of space and partly because a repetition of what is already in print but now out of date is undesirable In a work such as this it must necessarily happen that certain rare

conditions can only be treated of briefly but so far as possible I have embodied the results of sixteen years experience as a hospital surgeon and teacher About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
