Sound Moves Michael Bull, 2015-03-24 This innovative study opens up a new area in sociological and urban studies the aural experience of the social mediated through mobile technologies of communication Whilst we live in a world dominated by visual epistemologies of urban experience Michael Bull argues that it is not surprising that the Apple iPod a sound based technology is the first consumer cultural icon of the twenty first century This book in using the example of the Apple iPod investigates the way in which we use sound to construct key areas of our daily lives The author argues that the Apple iPod acts as an urban Sherpa for many of its users and in doing so joins the mobile army of technologies that many of us habitually use to accompany our daily lives Through our use of such mobile and largely sound based devices the book demonstrates how and why the spaces of the city are being transformed right in front of our ears

Shut up and Listen! Carl Robinson, 2010-11-16 What happened America used to be the most powerful and most respected nation in the world America used to be the beacon of hope and the epitome of Democracy America is now a mere caricature of what it used to be Secular progressives and anti America liberals have destroyed the moral fabric in which this country was founded upon You need only to look at the moral decline and the incline of criminal activity to see that America needs a return to our Founding Father s original vision Abortion runs rampant yet convicted criminals enjoy a life of free education and cable TV We cut military spending resulting in terrorist attacks and then free those same terrorists from Guantanamo Bay Americans have become apathetic So long as we have American Idol Big Macs and Wal mart we re content to let our leaders infringe upon our inalienable rights It s time to take America back

Listen with Father Caroline Sanderson, 2025-07-03 Listen with Father is a book about the transformative power of listening and about how we remember those we have loved and lost At four years old Caroline Sanderson fell in love with the music of Mozart after listening to it with her father At eight she fell even harder for the songs of David Bowie Her dad made many gentle attempts to persuade her to back to his world of classical music but it wasn t until after he died that she returned to it in memory of him Listen with Father tells of how she set out to listen with great care and attention to the music her dad loved to work out why he so appreciated it and whether she could too In a beguiling blend of memoir and biography Sanderson explores the music of composers from Igor Stravinsky to Clara Schumann and Fr d ric Chopin hearing Mozart recitals in Salzburg visiting Sibelius s house near Helsinki and playing Robert Schumann at home on the piano Beautifully touching and absorbing Listen with Father is a story of a beloved father told through the classical music he cherished

Consuming Music Together Kenton O'Hara, Barry Brown, 2006-01-09 Listening to buying and sharing music is an immensely important part of everyday life Yet recent technological developments are increasingly changing how we use and consume music This book collects together the
