

INTERVIEWING GUIDE

The Purpose of Interviews

The purpose of an interview is two-fold: to market your skills and relevant experience to the interviewer and to evaluate the organization's appropriateness for you. You accomplish this by showing the interviewer that you have the ability, communication skills, personality, growth potential, maturity, and intelligence to do a good job for that organization.

For many, the interview causes some degree of nervousness. This is normal; however, excessive nervousness may work against you. Others approach interviews with little enthusiasm and virtually no preparation. A laissez-faire attitude can be just as detrimental as excessive panic.

There are many different types of interviews and interview questions. Use this guide to prepare on your own or with other students, but also make time to meet with Career Development staff for mock interviews and feedback.

Preparing for an Interview

Preparation is an essential part of a successful interview. Taking the time to research a company well and practice interviewing with a specific job in mind is very helpful. This section will help you to consider the things that need to happen before you arrive for your interview day. It is helpful to have at least one or two mock interviews prior to your actual interview.

PRACTICE THROUGH MOCK INTERVIEWS

Mock Interviews with Center for Career Development Advisors

These may be scheduled through the Center for Career Development at 704-894-2132 and are typically held during the common hour. Time slots fill up quickly so schedule your practice interview early.

Mock Interviews with Davidson Alumni & Parents Through the Davidson Career Advisor Network (DCAN)

More than 750 Davidson alumni and parents have signed up through the Davidson Career Advisor Network (DCAN) to help you practice for your upcoming interview. - Go to the Center for Career Development's website at www.davidson.edu/careers
- To access DCAN click on "Students" > "Networking" > "Davidson Career Advisor Network"

InterviewStream

If you are not able to schedule a mock interview, you will find it helpful to use the interviewing preparation tools in Interview Stream, an online tool that allows you to practice your interviewing skills through your laptop and a webcam. Using the system you can set up interview questions and record your answers for an easy self-assessment.
