Fundamentals of Financial Accounting Fred Phillips, 2007 What does it mean to have a great coach? When you are first learning financial accounting, having a great coach means having the ongoing support, direction, and motivation necessary to ensure your success. The Canadian edition of Fundamentals of Financial Accounting is like your personal coach. It provides you with the tools that you will need to make sense of business activities and to help you prepare and interpret financial information in an accurate and relevant way. The Canadian companies and examples used in this text bring Financial Accounting to life. What could be more Canadian than Tim Horton's or the National Hockey League? Fundamentals of Financial Accounting provides an accessible and balanced introduction to financial accounting targeting mid to lower level universities, university colleges, and a select number of colleges who are transitioning from a principles based to a financial based accounting course. In the long term, as a growing number of colleges adopt a financial accounting curriculum, Phillips will be an optimal solution and the most student friendly book in the market due to the coaching focus. Through unparalleled pedagogy and the most engaging writing style on the market, this text will act as a personal coach outside the classroom, working to ensure every student's success.
