

Refer to Text 2 on pages 3–4 of the Insert for Questions 5–13.

5 At the beginning of this text Deering and Angus are trapped on a mountain.

Explain how the language used in Paragraph 1 emphasises the lack of visibility on the mountain. Support your ideas with three details from the paragraph.

- Firstly, "black as lead" fog suggests that the fog was extremely ^{thick} and concentrated to the point it coated the person standing ^{silently} nearby.
- Secondly, "muffled the fading sun" suggests that the fog was covering the sunlit, thus making them lose ^{the} ^{only} natural light source to aid them through the fog.
- Thirdly, "world plunged down into ^{an} ^{almost} ^{darkened} ^{space}" shows that there was no longer sunlight to help them get past the fog which would affect them as without a strong light source, it would be ^{challenging} to hike through the mountains.

[3]

6 Give two reasons why the writer and his friends found it hard to be sure how far the cliff face extended below them (lines 15–16). Answer in your own words.

- (i)
- (ii)

[1]

[1]

7 The writer says that something he had read in a wilderness survival manual 'began snapping away at the edge of my decision' (line 20).

(i) What was his 'decision'?

It was not to head down the cliff in distress.

[1]

(ii) What is suggested by 'snapping away at the edge'?

It suggests even the smallest and most insignificant survival manual had 'snapping' at his mind away at the edge of his mind.

[1]

8 In line 28 the writer says 'Or words to that effect'.

What does this phrase suggest about the style of the language he actually used in the preceding sentence?

It suggests that the writer was determined to prove his point.
